### Who is irrigation Solargen?

Energy . Water . Irrigation Solargen has a team of talented and multiskilled engineers who are driven by the passion to solve challenges faced by their communities. Years of experience in developing, designing, and implementing engineering solutions coupled with our understanding of host communities' needs makes us a great partner to work with.

### What does Solargen do?

The biggest challenge for pastoral communities is access to sustainable clean water and grazing land. Solargen aims to make access to clean water affordable and sustainable for these underserved communities. NORTHERN HQ Launch 2022 - Wajir Kenya. Solargen is a leading Energy, Water and Irrigation solution and service provider in the region.

### Is Solargen a reliable partner for solar & water projects?

"Solargen has proven to be a reliable partner for solar and water projects. They have implemented more than 20 boreholes for us. We find them to be diligent and responsive." "We started working with Solargen late 2012. They are technically capable and passionate about their work."

### Who is Solargen HQ - Wajir Kenya?

NORTHERN HQ Launch 2022 - Wajir Kenya. Solargen is a leading Energy, Water and Irrigation solution and service provider in the region. We offer a best in class combination of products integration, know-how and services. No matter what your needs are, we will create a personalized solution with our seamlessly integrated product portfolio.

### Is Solargen a good company to work with?

One of the projects, a community solar minigrid won a global award, Microgrid Greater Good Award 2019. They are a capable company to work with."

“Solargen has proven to be a reliable partner for solar and water projects. They have implemented more than 20 boreholes for us.

How can Solargen contribute to food security in Africa?

Our aim is to contribute to food security in Africa through climate adoptive technologies. The biggest challenge for pastoral communities is access to sustainable clean water and grazing land. Solargen aims to make access to clean water affordable and sustainable for these underserved communities. NORTHERN HQ Launch 2022 - Wajir Kenya.

### Efficient Solar Mini Grid Systems for Rural Electrification

Discover Solargen's solar mini grid systems that bring reliable and affordable electricity to rural communities, empowering sustainable development in Kenya. +254748707766, +254794264446 Careers

### Our Solutions - Solargen Technologies Limited

Solargen has a team of talented and multi-skilled engineers who are driven by the passion to solve challenges faced by their communities. The appropriate technologies and the community needs, a solution with a clear cost-benefit analysis is presented to the client. Because of our partnership with leading manufacturers, our well-stocked

### Solar Water Heater - Solargen Technologies Limited

Key Features of Solargen Solar Water Heaters:  
Cost-Effective Heating Solution: Solargen solar water heaters stand out as a cost-effective alternative for families and businesses in Somalia and Somaliland. By harnessing direct sunlight, these systems provide an efficient way to save on heating costs while ensuring a near-constant supply of hot

## Top Solar Energy Solutions in Nairobi, Kenya by Solargen

Solargen in Nairobi, Kenya, delivers exceptional solar energy solutions, integrating premium energy, water & irrigation services tailored to your unique needs. +254748707766, +254794264446 Careers

## Solar Irrigation - Solargen Technologies Limited

Solargen takes pride in delivering turnkey solutions. From system design to equipment supply and seamless installation, our approach is holistic. This ensures that communities receive a fully functional lighting system tailored to their needs. Community Training Initiatives: Empowering the end-users is at the heart of Solargen mission.

## Financing Solar Solutions Throughout Kenya: The Case Study of Solargen ...

Solargen Technologies Ltd. is a solar energy, water, and irrigation solutions provider with a mission to supply underserved communities with affordable energy, water, and irrigation services. Founded in 2010 by Abubakar Aidarus, when he was an Electrical Engineering student at the University of Nairobi, the company's offerings include off

## About Us - Solargen Technologies Limited

Solargen raises seed capital and sets up

operation in Mogadishu, Somalia; Installs first solar water pumping system for a borehole in Mogadishu to supply to a camp for internally displaced people; Signs partnerships with leading solar equipment manufacturers in the industry such as Lorentz and Victron

## Solar Irrigation

In 2022, We implemented a solar irrigation systems in Wajir county.- Habaswen - Hadado. The projects both had a floating pump system that allowed water to be pumped into the irrigation farms using SOLAR energy from 18 pcs (each ...

## **Lighting 2 Villages - Solargen Technologies Limited**

In 2023, Member of Parliament Abdinasir Qodax collaborated with Solargen Technologies to address lighting needs in two villages located in the Daroor district of the Jarar Region in Ethiopia. The project involved installing solar-powered lighting infrastructure consisting of 7 poles, each equipped with 200W solar panels. The first village

## **Solar Water Pump Systems for Efficient Water Supply ...**

Optimize water supply with Solargen's solar water pump systems, engineered for sustainability and efficiency in Kenya's agricultural and residential sectors.

+254748707766, +254794264446 Careers

- LiFePO<sub>4</sub> Battery, safety
- Wide temperature: -20~55°C
- Modular design, easy to expand
- The heating function is optional
- Intelligent BMS
- Cycle Life: > 6000
- Warranty: 10 years

## Complete Solar Off-Grid Systems for Reliable Energy

Achieve energy independence with Solargen's off-grid solar systems, providing reliable power solutions for remote locations in Kenya. +254748707766, +254794264446 Careers

## Al-Baraka Bakery - Solargen Technologies Limited

Notice: Function\_load\_textdomain\_just\_in\_time was called incorrectly. Translation loading for the meta-box domain was triggered too early. This is usually an

## Jinko Monocrystalline PV Module, 555W

Time-tested legacy monocrystalline Jinko solar tier-1 PV modules Proven as the most reliable, popular and efficient by PV systems installers all around the world. The modules come with unmatched 12 year product warranty and 25 years performance guarantee.

## Solargen Technologies Company Profile 2024: Valuation, Funding

Solargen Technologies General Information Description. Operator of solar energy products and services company intended to provide affordable energy, water, and irrigation services to underserved communities with the aim of economic empowerment.

### Hanti GEL 12V 200AH Battery

Maintenance-free Deep Cycle Gel Battery. 12V 200AH @10hr rate Absorbent Glass Material, Maintenance free, Deep cycle, Approx. 57.0 Kg,; Cycle use voltage of 14.6 V~14.8 V @ 25?, 50% DoD; 24 months warranty and 12 years design life; Datasheet

## Contact Solargen: Your Partner for Solar Solutions in Kenya

Contact Solargen for expert advice and support on solar energy, water, and irrigation solutions tailored to your needs in Kenya.  
+254748707766, +254794264446 Careers

## Community and Agriculture - Solargen Technologies Limited

Solargen Technologies, a reputable solar solutions provider, was responsible for the installation and commissioning of the solar infrastructure. By harnessing solar energy, the project aimed to improve access to reliable

electricity, particularly in rural areas where access to the grid may be limited. Additionally, the solar system supported

### [Victron BlueSolar MPPT 150/45-Tr](#)

A powerful and highly efficient charge controller. Low battery voltage disconnect; Short circuit proof load output with Battery life intelligent management; Programmable battery charge algorithm; Day/night timing and light dimming option

## **About Solargen: Leading Solar Solutions Provider in Kenya**

Learn about Solargen's commitment to delivering top-notch solar energy, water, and irrigation solutions that power sustainable development in Kenya. +254748707766, +254794264446
