London energy storage tender announcement

The 250MW/500MWh project is worth IR13.4 billion (US\$160.4 million), Gensol said in a 12 June announcement, noting that GUVNL could take a "greenshoe" option to expand the project to 500MW/1,000MWh which would generate IR26.8 billion for the company over the 12-year term of a battery energy storage purchase agreement (BESPA).

London Energy Storage Plan Announcement Time: A Game

...

Hold onto your teacups, folks - London's energy storage plan announcement time is finally here! With the city aiming to hit net-zero emissions by 2030, this initiative could be bigger than the Great Fire of London (but thankfully less destructive).

Long Duration Electricity

Storage technical document

Following the government publication on Long Duration Electricity Storage (LDES), Ofgem published a call for input in December 2024. This document outlined our role and further thoughts on the
