### MGM Resorts beats Toys 'R' Us with biggest rooftop solar system

MGM Resorts International surpassed Toys "R" Us Inc. with the largest U.S. rooftop solar installation, an 8.3-megawatt system completed this week. With an expansion that included more than

### Macao - SolarFeeds

Solar Market Outlook in Macao The energy

consumption of Macao is tremendously high and this is expected to continue its upward trend given the increasing number of large buildings. The lack of proper policies in building energy efficiency is contributing to the ineffective implementation of measures to improve building energy efficiency. While Macao is not among the leaders in Asia ...
