Who are technaus?

With a reputation as a pioneer within the renewables sector, Technaus has been a market leading solar energy company for over 15 years. Being Clean Energy Council accredited designers and installers, you can trust us to supply and deliver quality service with only the highest performing, time tested products.

Does technaus provide a warranty?

Technaus Pty Ltd has avoided to provide me its written guarantees for workmanship with terms and conditions. Technaus Solar is a member of Clean Energy Council, but it also fails to provide required documentations as printed on page 17 of Guide to installing solar for household, published by that council.

Is technaus a good company?

Hi Charles, Fantastic to hear your experience with Technaus and in particular Steve, has been excellent. Steve is definitely your man when it comes to sound and objective advice for a solar installation. Steve and the team don't do just one product and try and push it. Every household is different, and all customers needs can be quite varied.

Did technaus Pty Ltd provide a sale contract with terms and conditions?

Technaus Pty Ltd did not provide a sale contract with terms and conditions  
Technaus Pty Ltd has avoided to provide me its written guarantees for workmanship with terms and conditions.
