The Northvolt dilemma: can European EVs avoid relying on Asian ...

People involved in the Northvolt saga said options were narrowing for Europe to address its dependence on China and other parts of Asia for the technology and materials ...

Expansion of Northvolt Ett Gigafactory is Stopped

The cost-cutting measures and the focus on cell

production at Northvolt Ett will result in a significant reduction in the number of employees. In Skellefteå 1,000 jobs are to be cut, in Västerås 400 jobs and in Stockholm 200 jobs. Northvolt justifies this move with the need to focus on the ramp-up phase of the first 16 GWh production
