2 likes, 0 comments - mekeran_solar on September 20, 2024: "Absolutely! Solar panels can significantly reduce a luxury resort's electricity bills. By harnessing the power of the sun, resorts can save up to INR2,00,000 annually on energy costs. Over time, this investment typically pays off within just 5-7 years, providing up to 25 years of low-cost, reliable energy."
