Monaco Mobile Phone Solar Charger : r/Android

So a battery pack solar charger is a better choice as it constantly charges at 200-300mah to battery then you can then charge your phone. My solar battery pack was only \$10 from dealextrime , I wanted something cheap so if it was bad then \$10 isn't much of a price to pay but I'm quite happy with it even though it's 3 years old now.
