Centiel's PremiumTower supports critical power for Century ...

Two Centiel PremiumTower™ 500kW UPSs, one supported by Hoppecke batteries and the other using existing 108 Fiamm batteries, now provide five five- minute backups for the plant's heavy-duty machining equipment. In 2023, a further four PremiumTower UPSs were replaced to ensure continuous power backup at both sites.

Centiel Introduces New Stand-Alone UPS

Swiss based UPS manufacturer, CENTIEL SA, has introduced its new PremiumTower stand-alone Uninterruptible Power Supply in the UK through its UK subsidiary, CENTIEL Ltd. The PremiumTower is another high quality solution from the same R& D team that brought us CumulusPower, CENTIEL's world-class leading three-phase modular UPS system.
