Who is greencells group?

Click here for our imprint or here for our GTC. A major player in future-proof green energy, Greencells Group builds and operates utility-scale solar projects worldwide.

Will Myanmar ever get a solution?

"Therefore, it will never get a Myanmar-owned and -led solution by working side by side with the terrorist military group that is not representing the people and killing them every day, instead of dealing with the revolutionary forces, including the NUG, which represents the people of Myanmar."

Who owns greencells Group Holdings?

To keep up with the strong market growth, Hoffmann and Kisauer founded Greencells Group Holdings, based in Abu Dhabi, with investor group Zahid in 2018. Greencells plans, finances and builds solar parks all over the world.

Could Bangkok meetings legitimize Myanmar's junta?

"But the meetings being held in Bangkok risk legitimizing the junta, which continues to commit war crimes and crimes against humanity with impunity against Myanmar's people," Lau said.

Does Myanmar have a military government?

The military government is condemned by many countries and rights organizations for its brutal war and suppression of democracy. "The principle laid down by ASEAN includes the words to find a Myanmar-owned and -led solution," said Nay Phone Latt, a spokesperson for Myanmar's opposition National Unity Government, or NUG.

Should ASEAN shake up its approach to Myanmar's crisis?

Bryony Lau, deputy director for Asia at Human Rights Watch, told The Associated Press that “ASEAN has needed to shake up its approach to Myanmar’s crisis.” “But the meetings being held in Bangkok risk legitimizing the junta, which continues to commit war crimes and crimes against humanity with impunity against Myanmar’s people,” Lau said.
