Nicaragua sunark power

SunArk Power Co., Ltd. , Solar Components , China

SunArk Power has 20+ experience producing energy storage products and 90,000+ systems actively running in 80+ countries, enabling millions of people to enjoy reliable, accessible, and clean energy. SunArk Power has been developing quickly, since the end of 2022, accumulatively, the company has manufactured 620MWh BESS and battery strings.

????

We also chose SunArk for the all-in-one machine, as its power meets our needs. The SunArk team has been actively solving our problems and doubts during the transaction, and their service is also very good. The all-in-one machine has a good price-performance ratio, so we finally decided to purchase them together.

Test certification
