

## European Solar Energy Storage

# Northvolt ett Cabo Verde

## Overview

---

Why did Northvolt ett go bankrupt?

The bankruptcy follows the cancellation of the Northvolt Ett Expansion development project in Skellefteå, Sweden, as part of the new strategy launched in September to save the core business of Northvolt, the battery production that has started but has not yet managed to get off the ground as planned.

Does Northvolt offer debtor-in-possession financing?

In addition, one of Northvolt's existing customers has committed to provide \$100 million in new financing to support Northvolt's business operations in the form of debtor-in-possession (DIP) financing, which is a specialized type of financing for businesses that are restructuring through a Chapter 11 process.

Does Northvolt take legal actions in other jurisdictions?

Northvolt may take legal actions in other jurisdictions to facilitate the U.S. Chapter 11 proceedings, which include entities in the U.S., Sweden and Poland. Northvolt is being advised by Teneo as its restructuring and communications advisor. Kirkland & Ellis LLP, A&O Shearman and Mannheimer Swartling Advokatbyrå AB are serving as legal counsel.

Are Northvolt Germany and Northvolt North America financed separately?

Northvolt Germany and Northvolt North America, subsidiaries of Northvolt AB with projects in Germany and Canada, are financed separately and will continue to operate as usual outside of the Chapter 11 process as key parts of Northvolt's strategic positioning.
