In the same category, Solar Optimum also ranked nationally as the #3 Solar and Storage EPC in the United States under the residential and commercial segments

[Solar Optimum experiences? : r/solar](#)

I got solar twice (different homes) in the last couple of years, and Solar Optimum was in the top 3 each time. Ended up going with an independent electrician that almost exclusively did solar... better pricing (~8%) and wayyy better service because the independent owner was also the lead installer and the only 'sales guy' lol.

Solar PV Analysis of La Massana, Andorra

In La Massana, Andorra (latitude: 42.5484,

longitude: 1.5117), solar power generation is generally favorable with varying average daily energy production per kW of installed solar across different seasons: 6.76 kWh in Summer, 3.58 kWh in Autumn, 2.42 kWh in Winter, and 5.38 kWh in Spring. This indicates that the highest energy generation occurs during the summer months due to ...
