Frequently asked questions addressed to the German ...

According to some online sources, the BMZ is supposedly paying 315 million euros for bicycle paths and buses in Peru. This figure is not correct. In actual fact, the BMZ is providing a 20-million-euro grant (which was committed in 2020) to support the development of a network of bicycle highways in Lima, which is currently under construction. In 2022, the BMZ committed ...

Statement Development Minister Svenja Schulze on the latest

"We utterly condemn the Hamas attacks on Israel. This violence will produce only losers. Our full solidarity is with Israel in this difficult hour.

We have always taken great care to ensure that our support for the people in the Palestinian territories serves peace and not terrorists. But these attacks on Israel mark a terrible watershed. And so we will be re-examining all our activities in

Organisational development to improve psycho-social support

From the last century, Palestine has seen complicated changes in its political circumstances which have included the creation of Israel in 1948 and the 1967 war. As a result of the latter, Israel occupies the West Bank, including East Jerusalem, and the Gaza Strip is under blockade since the 1990's.
