Panel solar solis Morocco

Overview

Who is SUNQ solar?

At SUNQ, we are a leading distributor of solar panels, BIPV solar modules, and aluminum mounting systems. We also offer a range of inverters, DC accessories, and other solar components to help our clients meet their energy needs.

Who is Greenpower Morocco?

Please try again later. GreenPower Morocco installs and maintains photovoltaic solar panels within the country of Morocco. Our photovoltaic panels provide renewable energy that is environmentally friendly. Africa's largest and most modern PV Module factory will produce the first World Module.

What brands of solar products do you carry?

We carry top brands such as Jinko and JA SOLAR, ensuring that our customers have access to the best products on the market. BIPV solar modules, or Building Integrated Photovoltaics, are a revolutionary way to generate renewable energy and improve the efficiency of buildings.

What is Africa's largest and most modern PV module factory?

Africa's largest and most modern PV Module factory will produce the first World Module. for glass suitable for very rough climates with high temperatures for more than 10 years. The project consists of the construction of a solar photovoltaic plant in the vicinity of Tangier with possibility of extension.

Panel solar solis Morocco

Trina 545WP Vertex TSM-DE19 Solar Panel

The Trina 545WP Vertex TSM-DE19 Solar Panel is a high-performance solar panel designed to harness the power of the sun efficiently. With its cutting-edge technology and superior engineering, this solar panel offers exceptional power output and durability. Experience the benefits of renewable energy with Trina, a trusted brand in the solar industry.
