## Overview

---

Who is Phoenix Solar Pte Ltd?

PHOENIX SOLAR PTE. LTD. (the "Company") is a Private Company Limited by Shares, incorporated on 31 October 2006 (Tuesday) in Singapore . The address of the Company's registered office is at the RB CAPITAL BUILDING building. The Company current operating status is live and has been operating for 17 years.

Why should you choose Phoenix Solar Singapore Pte Ltd?

Phoenix Solar Singapore Pte Ltd's energy storage solutions are ideal for off-grid applications, where there is no access to a reliable electricity grid, as well as for grid-connected applications, where energy storage can help to stabilize the grid and reduce the need for fossil fuel-based power plants.

Who is Phoenix Solar?

Phoenix Solar's extensive capabilities encompass management of turnkey PV solutions for commercial, institutional, industrial and residential solar projects. We are recognised as a market leader in the industry by virtue of our added value solutions, technical expertise and professional services.

Why should you choose Phoenix Solar?

Phoenix Solar works with various industry sector experts to ensure planning and deployment of innovative and reliable solutions that will stand the test of time for maximum return on investments and environmental protection.
