The sonnenCore can be paired with

Simple off the shelf solar backup battery setup in Costa Rica review

Total newb to solar here, so I'm trying to start simple. Hopefully down the line, I'll build my own systems. I have a vacation rental property in Costa Rica and often the power will just go out randomly so I'm looking to build a simple, but mostly off the shelf, backup solar system to provide internet even if the rest of the power goes off.

Our Projects

Costa Rica Solar Solutions' service has been excellent - the system and permitting was completed as per the agreement and everything has been running well. The one service issue we had was fixed promptly and Lester got the system back up and running immediately. Lester provides excellent service and value for solar projects in Costa Rica.
