Power distribution unit for cabinet Montenegro

Power distribution unit for cabinet Montenegro

Vertiv(TM) Geist(TM) UPDU , Power Distribution Unit

The Universal PDU is a versatile rack power distribution unit featuring a universal input and detachable Facility Side Cable (sold separately). The Universal PDU supports common AC power configurations ranging from 16A-60A and 120V-415V. Available in basic to intelligent models featuring advanced remote power and environmental monitoring and optional outlet level ...

Rack Mount PDU: Power Distribution Solutions Explained

Rack Power Distribution Units (rPDUs) are the last link in the power chain and ensure delivery of critical power to IT loads. Depending on the power available, the cabinet density could be limited or additional rPDUs will need to be deployed in the same cabinet to reach the power capacity required for the deployed equipment.
Power

Rack

The Rack- and Panel-Mount PDUs not only provide convenient, reliable power to equipment mounted in cabinets or on open frame racks, but they can also be configured to meet a wide range of design specifications. These PDU's are a basic, lower-cost ...
