## Energy Storage

Key to changing the energy mix is effective energy storage solutions, where energy is produced energy needs to be stored and consumed when demand doesn't meet production. IPS is working in innovative compressed air storage solutions, in cooperation with CTG, for storage of energy in the ground, as well as traditional options like large scale

## Power Outlet Question : r/curacao

I'll be in Curacao at the end of the month and have a question about which outlets are used in Curacao. On the Curacao tourist site it looks like it's the US-style 110V outlets, but the hotel's site says that connections are 220V. I'll be staying at Hilton's Mangrove Beach Corendon Curacao All-Inclusive Resort if that makes a difference.
