

## European Solar Energy Storage

# Premier energies limited Haiti

## Overview

---

Who is Premier energies?

Offering sustainable energy solutions for over 29 years, Premier Energies is an integrated solar cell and solar module manufacturing company. Backed by GEF Capital, a Washington DC based Private Equity Investor, Premier Energies is at the forefront of innovative technology, crafting high-tech photovoltaic products and solutions.

Is Premier energies a risky company?

While Premier Energies has achieved significant growth, its revenue concentration among a few key customers poses a potential risk. The company's long-term success hinges on the continued success of its core products, solar cells and modules.

Is Premier energies a good place to work?

Premier Energies Scores Hat-Trick with One More Great Place To Work Certification! Leading the way as a shining example of positive work environment, Premier Energies is the first solar manufacturer in India to achieve the feat of being certified as a Great Place to Work, thrice in a row.

Is Premier energies introducing a new Topcon cell manufacturing line?

Furthermore, in line with technological advancements, Premier Energies is introducing a new TOPCon cell manufacturing line in the Fiscal Year 2024-25. Premier Energies Photovoltaic Pvt Ltd facility spans 25 acres and is a LEED Gold Certified manufacturing facility.

Why is sustainability important to Premier energies?

Sustainability is an intrinsic part of Premier Energies. We aim to provide quality products and energy-efficient solutions that focus not just on the benefit of people, but the betterment of the planet as well.
