Overview

Who is PVO International?

We are PVO International, the leading procurement organization for all products related to solar energy systems. Together with our clients and suppliers we contribute to the desired acceleration of the energy transition by setting the pace through solar expertise and scale. Good plans deserve the best solutions.

Why should you choose PVO International?

WE LOVE TO MAKE YOU SHINE. Developing solar projects?

We take care of your procurement. When it comes to solar energy systems, PVO International leads the way. Together with our partners, we go all out and supply everything you need for your solar projects.

What is the Uganda pvoc?

The Uganda PVoC is a product conformity assessment program that controls commodities covering 11 product categories. It is mandatory for all businesses exporting regulated products into Uganda to demonstrate compliance with the Uganda standards. HQTS is one of only six companies appointed by the UNBS to provide PVoC services for general goods.

What is PVO direct?

The PVO Direct webshop offers solar panels, inverters, batteries, substructure, cables and charging stations for the residential and SME market. Like PVO International, PVO Direct offers a wide range of Tier 1 brands, which is constantly being expanded. Sign up for our newsletter here [Stay up to date with the latest solar news.](#)

Is PVO International a member of DCC group?

Since September 2022, PVO International is a proud member of DCC Group.

This partnership puts PVO International in an even better position to achieve further international growth and its energy transition ambitions. Together, we have the power to make a difference. Would you like to know more about what PVO can do for you?
