First time solar; can someone check my proposed Jackery 5000 ...

My power station choice is the Jackery Explorer 5000 (hereafter J5000); it seems like it'll do pretty much everything I think I want as a starter system. Ordered the bundle with the free Smart Transfer Switch home panel. I'm looking to do an off-grid setup to begin with; a larger grid-tied system seems like a logical expansion someday but I
