

European Solar Energy Storage

Saint Martin grid down redoubt

Overview

What is the grid down redoubt energy storage system?

The Grid Down Redoubt Energy Storage System Combines the Power & Value of the Lion Energy Sanctuary Energy Storage System with the Protection of EMP Shield.

What is grid down redoubt?

Grid Down Redoubt is the solution. And it includes EMP Shield, which is the most trusted name in EMP protection. Finally a company does it right! An all in one home battery system that will allow you to sell power back to the grid and use it to power the home off grid if the power goes out!.

Why should you buy a grid down redoubt?

The EMP protection (upstream and downstream), ease of use, safety rating, and the 25-year warranty on the entire system are what sold us on Redoubt. That gives us peace of mind! Want to Learn More About the Grid Down Redoubt?
