## [5 Best Solar Batteries in India](#)

Difference Between a Solar Battery and an Inverter Battery. If you have seen a solar battery in a market then you know that it doesn't matter which brand battery it is, you will get around a 60 months warranty on a 150Ah solar battery but

if the battery is an inverter battery, even if it is of the same brand and a 150Ah battery you will get around a 36 months warranty.

## Best Solar Batteries in UAE

Solar battery duration depends on the type of battery. On average, utility-scale lithium-ion batteries can run for up to 4 hours. Solar Battery duration will increase with battery banks -- or a collection of batteries working together. Keep in mind the less energy you consume, the longer a solar battery will power your home.
