### Find the Best Home Solar Solutions from Axia by Qcells

Solar batteries store power from your solar system for use when you need it most - whether that's during peak electricity rate periods or during a power outage. The Qcells Q.HOME CORE solar battery storage system allows for ultimate usage customization so you get exactly what you need from your battery when you need it.

### Axia by Qcells , BBB Business Profile

I originally spoke with Axia solar by phone in August of 2023. I agreed to purchase a system including 8 panels for the price of \$9.600.00. I paid the price in full, and the panels/system was

**Has anyone has any experience with Axia Solar so far? : r/solar**

Their company name and address comes up as Axia Solar Corp 2022 , 400 Spectrum Center Dr. Ste. 1400 Irvine, CA, but I can't find much else on them. I know if I'm serious about solar, I should get competing quotes and see what cash/financing/etc offers are. My roof is about 10 years old and I have read that replacing a roof with solar (obviously

## Axia by Qcells: Read 46 User Reviews From Real Homeowners

I took the offer by Axia a Qcell company to go solar and get free battery. Right from signing up to installation and going live was super smooth. The workmanship and quality of product is awesome. The best part is that my entire house except HVAC and washer/dryer is running out of battery and my electricity bill is on an average \$30 per month
