### Awards -- SkySource

Skysource was announced as the grand prize winner of the \$1.75M Water Abundance XPRIZE, a two-year competition aimed at alleviating the global water crisis with energy-efficient technologies that harvest fresh water from thin air. The Water Abundance XPRIZE, powered by the Tata Group and Australian Aid, was launched in 2016 and Skysource

### News information

This is the assessment made by Xu Hanyue, Deputy General Manager of Nanjing Skysource World Power Battery Division, at the 12th High-Technology Lithium Battery Industry Summit Forum. The rationale behind this judgment is that core components, including high-performance power batteries, continue to be the primary obstacles restricting the

### Commercial vehicle

Fearless of harsh winters, scorching summers, rain, snow, or humidity, Skysource Power ensures you travel worry-free. 04. Smart management and precision monitoring. Chuangyuan Power provides safe and reliable power battery system solutions for logistics delivery scenarios, improving travel experiences and reducing vehicle operating costs.

### Resilience Lab

During the XPRIZE competition, Skysource created WeDew--the only competing technology to successfully extract over 2,000 liters of water over 24 hours, using only renewable energy and at the cost of USD \$0.02 per liter. Together with Skysource, Resilience Lab has continued to develop WeDeW into a readily deployable, customizable system that
