### Who is energy solutions Seychelles?

Welcome to Energy Solutions Seychelles – Leading solar energy company in the Seychelles We supply and install high quality solar energy systems and solar hot water products in the Seychelles. Our aim is to provide reliable technologies including photovoltaic panels and dependable installation service. Why Choose Us Most experienced.

### Why choose Seychelles solar energy?

Local Seychelles experience Mahe, Praslin, La Digue and outer islands  
Certified by Seychelles Energy Commission Approved by PUC Technical staff  
qualified in solar energy & energy efficiency Quality renewable energy  
products Warranty & Certification Best price Optimal performance Best return  
on investment Solar Energy PV Systems.

### How do PV panels work in Seychelles?

The panels are arranged on the roof in an array and connected to an inverter. Energy Solutions Seychelles installs a range of PV panels from tired-one manufacturers and supply products to meet your project specifications and budget. Additionally, the efficiency of the panels can be further enhanced by using optimisers.

### Who installs roof top solar photovoltaic PV systems in the Seychelles?

Sine 2012, ESS has been installing rooftop solar photovoltaic PV systems in the Seychelles. Therefore, we have experience with grid-tied roof top solar PV system. Also we are an approved installer by the Seychelles Energy Commission and Public Utility Corporation.

### Who is ESS Seychelles?

Contact Us ESS has been installing photovoltaic (PV) systems in Seychelles since 2012 and provides renewable energy products and energy efficiency

consultancy. About Us FAQ About PV Products.

Who owns the Ile de Romainville Solar Park – Battery energy storage system?

The Ile de Romainville Solar Park – Battery Energy Storage System is being developed by Abu Dhabi Future Energy. The project is owned by Abu Dhabi Future Energy (100%), a subsidiary of Mubadala Investment. The key applications of the project are renewable energy integration and grid support services. Contractors involved
