## ABOUT US

Solar Energy Consultants (SEC) was founded by William Wood in 2016. Well before SEC was formed, William began his solar career in 2013 as an in-home consultant helping over 1,600 homeowners install solar. His previous leadership roles for two of the most prestigious solar companies in California, helped him develop his unique formula for success.

EASY TO TRANSPORT AND INSTALL,  
FLEXIBLE DEPLOYMENT

## How much renewable energy is there in Moldova and how much ...

So, Moldova cannot integrate into the energy system more wind energy than the minimum consumption at night and more solar energy than the maximum consumption during the day. If we produce more green energy than it can consume, it will flow into the Romanian or Ukrainian grid either for free, or Moldova will have to pay to balance the system.
