

## European Solar Energy Storage

# Solar outlet Kiribati

## Overview

---

Who is Kiribati green energy solution?

Kiribati Green Energy Solution, a State-Owned Enterprise was established on 14 November 1984 under the Company Ordinance Cap 10A. It is a leading Government implementing agency in the energy sector deal with any renewable energy initiatives in Kiribati.

Why was Kiribati solar energy company renamed in 2020?

In 2020, the reformation and renaming of the Company (commonly known then as Kiribati Solar Energy Company) was conducted with the core objective is to broaden its scope in providing services with renewable energy including solar energy, wave energy, wind energy and other RE technologies that is applicable in Kiribati.

Who owns solar power in Kiribati?

The government-owned Public Utility Board supplies diesel generated power in South Tarawa. The Kiribati Solar Energy Company provides electricity to outer islands through solar home systems. Initially formed in 1984 by an NGO, the company is now owned entirely by the government. There is little private sector involvement.

What is Kiribati integrated energy roadmap (Kier)?

The project is implemented by UNDP in partnership with the Government of Kiribati. The main objective is to enhance the outer island development through the achievement of renewable energy (RE) and energy efficiency (EE) targets of Kiribati as stated in the Kiribati Integrated Energy Roadmap (KIER).
