Franklin Graham's Crusade in South Sudan

The creation of the Republic of South Sudan, on 9 July 2011, stands as one of the most difficult political adventures in Africa's post-colonial history. Clergymen tried to bring the country together, each in his own way. Reverend Franklin Graham, an American Evangelical figurehead, went the furthest in offering salvation joined with political support. He drew all eyes to a giant

[Praying for Peace in South Sudan](#)

Franklin Graham was invited to take part in the celebration of South Sudan's independence on July 9, 2011. South Sudan, still the world's newest nation (the 54th country in Africa), remains fractured today. The continuing turmoil and insecurity has displaced about 1.9 million

people, cutting off many from normal food supplies and basic

What is the WH in FranklinWH? , FranklinWH

So, what about the "WH" after Franklin? As shouldn't be a surprise, coming from a company focused on R& D, it's the brainchild of a bunch of tech geeks - our founders. "WH" initially stood for "watt-hour," using the unit of energy to reflect the company's mission of creating optimized home energy management systems.
