### Project

Sri Lanka's first 12.5 MWp grid connected solar photovoltaic power station built next to the Hambantota Solar Power Station, in Hambantota, Sri Lanka. The solar farm is owned and developed by Sagasolar, a joint venture between LOLC Group and Faber Capital Limited, with 70% debt funded by DFCC Bank, Commercial Bank of Ceylon, and Hatton

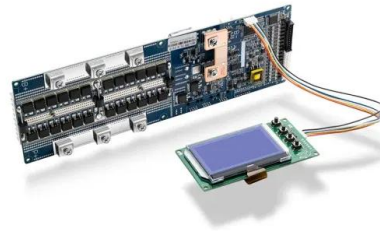

### Sri Lanka probes Adani projects after US charges

Adani was the first foreign investor to enter the small South Asian nation in the wake of its economic meltdown in 2022. Sri Lanka approved a \$442 million Adani wind power deal in the island's northwest in February 2023 -- under the previous administration -- but the vast project is stalled by a court challenge over environmental issues.
