# Sumec solar panels Botswana

## Overview

---

Who is sumec energy?

SUMEC Energy is a global and comprehensive clean energy solution provider. SUMEC Energy is committed to providing customers with one-stop energy solutions including energy supply, energy management, energy conservation and energy storage.

Does Botswana need a 40% shareholding for solar power?

For utility scale grid-connected solar plants, which include Mmadinare and Jwaneng, Masisi said a mandatory requirement of 40% shareholding by citizen owned companies was provided. Botswana is rich in natural resources and has vast solar energy potential, receiving more than 3,200 hours of sunshine per year.

What is Scatec Solar Asa?

It is the first utility scale grid-connected solar project in the country and is being developed by Scatec Solar ASA, a Norwegian independent power producer. The project is one of the key renewable energy projects in the country's integrated resource plan and will be constructed in two phases.
