## Alien star visited our solar system 70,000 years ago

Its name is Scholz's star, and as far as scientists can tell, it has come closer to our sun than any other star. BBC reports that the red dwarf passed through the Oort cloud (pictured) at the fringes of our solar system about 70,000 years ago, bringing it five times closer than any current star. Although the scientists mention that large objects passing through the ...

## Star Ferry

Victoria Harbour divides Hong Kong Island and Kowloon, and in 1898, The Star Ferry Company was established to offer ferry services connecting the two areas. Today, it remains the most affordable way to travel across the harbor, with fares around HKD\$5 per adult. Vessels were all named along with a "Star", such as Celestial Star, Solar Star
