

European Solar Energy Storage

Sunnyplaces Oman

Overview

What is sunny places?

Sunny Places is a solar network for residential PV system owners. It provides quick access to the most important data on your own PV system, makes available information on other systems and users and allows active exchange with the Solar Community. Yield data can be easily monitored and compared with the data of other PV systems.

What's new in sunny places?

by Peter Menzel (guest post), 9. Feb. 2015, 2 Comments The Sunny Places online portal now offers a number of new features. For example, those who are interested and don't have their own photovoltaic system can learn in simple steps how to simulate a PV system as well as compare and estimate its energy yield data.

Is Oman a good place to live?

Located on the eastern side of the Arabian Peninsula, Oman has sunny cities across the country, which leads to "a sunny disposition about life", said expat Nicole Brewer, who works as a teacher in Nizwa and writes the I Luv 2 Globetrot blog. "Omanis are already very nice and welcoming people," she said.

What are the best places to visit in Oman in summer?

The pleasant weather makes it one of the best places to visit in Oman in summer, when temperatures elsewhere in the country can reach above 40°C (104°F) on the hottest days. This coastal city is an excellent base from which to explore the wider Dhofar region. Salalah has plenty of sights to visit.

Where is the cloudiest place on Earth?

Counting clouds¶. Clouds have two key properties: They are wet; They are white ; Generally to measure wetness (known as the cloud water content), you need to be in the cloud .This is not great if we want to measure clouds around the world, as we would need lots of aeroplanes flying near constantly.

All-new Nissan Sunny 2020 now available in Oman

Muscat: Nissan Oman, from the house of Suhail Bahwan Automobiles, has launched the all-new Nissan Sunny 2020 in its showrooms across the Sultanate. The fully upgraded model comes with an expressive exterior featuring Nissan's V-motion grille and combines spacious interior

design with harmonious materials and colours to give a fresh and renewed feel to the car.
