Svalbard and Jan Mayen large solar generator for homes

Overview

Who owns California Valley Solar Ranch?

The plant generates 550GWh of power annually, providing electricity for 100,000 homes. It is developed in an area of 1,966 acres (795ha) and features SunPower Tracker technology, along with 88,000 crystalline photovoltaic (PV) panels. NRG Energy owns the California Valley Solar Ranch project.

How much power does Neuhardenberg Solar Park use?

The solar park comprises of 600,000 Talesun TP660P PV modules. The modules have a peak power rating of 220W to 250W. The plant uses the Powador XP500-HV TL inverter system with an AC power of 500kVA. The frame technology used at Neuhardenberg is Sigma II von Mounting System.

How is Svalbard governed?

The first thing to understand is how Svalbard is governed. The islands are part of Norway but are covered by the Svalbard Treaty, which gives equal rights to engage in commercial activities to the 46 signatories. The Norwegian Government appoints a Governor who also acts as Chief of Police.

What is living on Svalbard in the High Arctic like?

Moving to Svalbard is an enticing thought for many, but the reality can be a real challenge. Let's take a detailed look at what living on Svalbard in the High Arctic is really like. One of the world's northernmost inhabited areas, much of Svalbard is true wilderness.

Can you start a business in Svalbard?

Starting your own business in Svalbard is possible. However, you must contact the Governors Office and Community Council in advance to understand the requirements, as they differ from mainland Norway. The school teaches lessons in English and Norwegian through to upper secondary level. There is also a kindergarten for children aged 1-5.

What's going on in Svalbard?

For such a small, remote community, there is a surprising amount going on in Svalbard, much of it managed by the Community Council. For example, the modern kulturhus (Culture House) opened in 2010 and plays host to a cinema that shows more than 100 movies every year. It also houses a sizeable library, and a popular cafe.
