## Overview

---

Which solar companies are based in Tanzania?

Sikubora - Sikubora originates from the USA, however, purely focuses on the Tanzanian market with its Pico Solar Home Systems. SolarGridTZ - SolarGrid is a Tanzanian company aiming to provide solar energy to 80% of the Tanzania population which does not have access to power yet.

Where can I buy solar power in Tanzania?

Various companies are active in the solar power business in Tanzania, serving all different market segments. In fact, these companies selling solar products range from importers to wholesalers, retailers and local solar shops. Most are centred around larger cities, particularly Dar es Salaam, Mwanza and Arusha.

Which company sells pico solar systems in Tanzania?

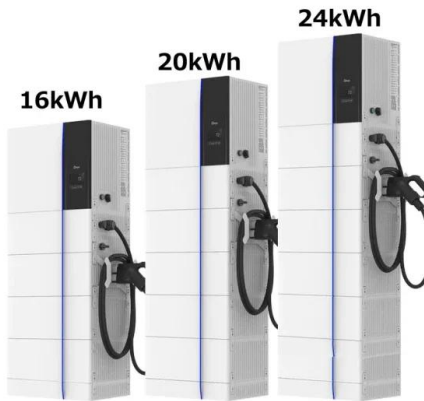

M-Kopa Solar - M-Kopa is an Kenyan company mainly focusing on the Kenyan market, however, they also started selling their pico solar systems in the Tanzanian market. Sikubora - Sikubora originates from the USA, however, purely focuses on the Tanzanian market with its Pico Solar Home Systems.

Does Tanzania have a grid?

In Tanzania the national grid supplies electricity to 12% of the nation's population, the majority of this supply being in urban areas. 75% of Tanzanian grid power is generated from large hydro sources the reliability of which is wholly dependent upon widely fluctuating rainfall patterns. Widespread load shedding and voltage reduction is common.
