Falkland Islands: Oil is back on the menu as energy majors return ...

Oil is back on the menu as energy majors return to exploration in Oil & Companies News 10/08/2022 It is fitting that Italian oil company Eni would go hunting for massive oilfields, known as "elephants" in industry jargon, in Côte d'Ivoire, until now a distinctly second-tier West African oil producer. Success at the deep-water Baleine field in September 2021,

Our Future and that of The Falkland Islands' Energy

Security

The Falkland Islands' Energy Strategy sets out the Falkland Islands' energy priorities to ensure the Falkland Islands are more energy-independent, secure, and resilient. The world is moving rapidly towards renewable energy, meaning that it is important for the Falklands to chart our own course in the transition.
