Tesla interns tackle hands-on projects and design challenges, constantly upending conventions and pushing boundaries. We expect interns to perform to the same level of excellence as our full-time employees

News , Tesla Hong Kong

With its launch in 2012, Model S set the standard for Tesla vehicle safety: a rigid safety cell, large front and rear crumple zones, and fortified battery pack. It also set a new bar for the automotive industry--in 2014, it was the only vehicle to achieve a 5-star Euro NCAP rating and 5 stars in every NHTSA category.

Recharge at popular hotels, restaurants and resorts. Find Us. Convenience: Enjoy Your Stay. Find Us. Simply plug in and enjoy your weekend adventure or afternoon

## Range Tips , Tesla Support Hong Kong

Try to avoid keeping the battery below 20% charge for an extended period of time. When the battery is too low in charge, the battery icon will turn yellow and the available range will drop if

the vehicle is parked in colder temperatures. Charge the battery to the appropriate charge limit for your vehicle based on the installed battery.

## Considering Buying a Used 2016 Tesla Model S in Hong Kong

I'm super excited (and a bit nervous) about the possibility of joining the Tesla family here in Hong Kong! I've found a 2016 Tesla Model S that seems like a Discussion. Thinking about buying a used 2016 Tesla Model S in Hong Kong. Battery shows some degradation (390 km range, loses 5-8 km/day idle), lifetime supercharging included, and
