### PowerBox Systems

The basic requirement for dealer status is a minimum order value of the initial order of 1,500 EUR (net) and minimum net turnover of 2,500 EUR / financial year, coupled with purchasing in accordance with dealer terms. If this level of turnover is not achieved in the current financial year, a re-assessment must be carried out for the dealer to be included in our distribution system.

### High-tech for demanding pilots

The benchmark for modern power supply. The PowerBox systems set standards for modern power supplies in model aircraft. Our systems have been used successfully by ambitious pilots since June 2001. Our PowerBox battery backers are far more than just redundant dual power supplies or electronic on/off switches. In recent

years, many technical innovations have ...
