

## European Solar Energy Storage

# The Netherlands santacc energy co ltd

Dehydrator. Type: DC type, AC type, AC-DC type, High-speed and High intelligence response, multi-gradient confound Product size: Customized design and manufacture according to application condition and client's request. Material: carbon steel, cladding material such as Carbon steel + stainless, Carbon steel + Nickel base alloy.

## Company News-Santacc Energy Co., Ltd.

Our company, Santacc, signed a contract with China CAMC Engineering Co., LTD (CAMCE) Block 9 of Iraq to provide equipment for The 1st Corporate Speech Contest Successfully Held! 74 sets of ethylene heat exchanger for 1.5 million tons/year of Shandong Yulong Petrochemical project, contracted by Santacc Energy Co., Ltd., was officially

## Process Module & Skid-Santacc Energy Co., Ltd.

Water Electrolysis. According to the demand of modern engineering modularization development, our company has the ability to independently research and develop, design and manufacture highly automated and highly integrated natural gas system engineering module equipment and oil-water separation engineering module equipment.

## Pig launcher and receiver-Santacc Energy Co., Ltd.

The pig receiver and launcher are mainly composed of the drum body, flange, quick opening blind plate and pigging indicator.

Several types of quick opening blind plates can be selected, such as coupling type, lock ring type and socket type.

## About Santacc-Santacc Energy Co., Ltd.

CEDEC changed its name to "SANTACC Energy Co., Ltd. (referred to as "SANTACC") and began to transform from equipment manufacture to equipment service. 2017. Won the prize of 19th China patent. Finished large-scaled electric desalting tanks to be applied to the phase-1 of Zhejiang PetroChemical Co., Ltd. Obtained pipeline installation and

## Electric Desalter/Dehydrator- Santacc Energy Co., Ltd.

Electrostatic Desalter and Electrostatic Dehydrator. Type: DC type, AC type, AC-DC type, High-speed and High intelligence response, multi-gradient confound Product size: Customized design and manufacture according to application ...

## Fabricate Capacity-Santacc Energy Co., Ltd.

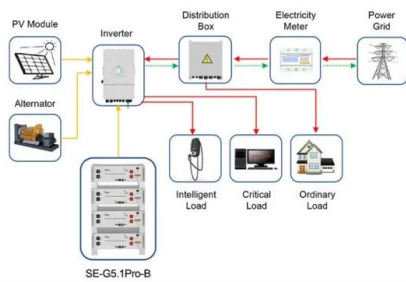

SANTACC is the first company in China specialized in the research and development of high voltage electrostatic separation, and has devoted itself to the research crude desalting technology on refinery and oil-water separation

technology on refinery and oil

## Company Profile-Santacc Energy Co., Ltd.

Santacc has various high-voltage electrostatic oil-water separation technologies with independent intellectual property rights. In 1988, Santacc completed the research and development and equipment manufacturing of the first set of ...

Application scenarios of energy storage battery products

## Metering skid for crude oil, and product oil-Santacc Energy Co., Ltd.

This metering and prover skid, designed and manufactured by Santacc Energy is the first high-tech metering system by independent research and development in China. Application: Widely used in input and output of crude oil and refined oil, can be regarded as the general equipment configuration for transportation handover departments of oil fields

## Company Culture-Santacc Energy Co., Ltd.

To provide energy industry with energy conservation and environmental protection with advanced technology production and services. SANTACC is the first company in China specialized in the research and development of high ...

[Contact us-Santacc Energy Co., Ltd.](#)

Santacc Energy Co., Ltd (Shanghai Branch)  
 Address: Room 2911-12, building A, Nanfeng city,  
 No.100 Zunyi road, Changning district, Shanghai  
 Telephone: 0086-21-61397751

## Company Qualification-Santacc Energy Co., Ltd.

Santacc was awarded the title of 2022 product high-quality Development. About Company SANTACC is the first company in China specialized in the research and development of high voltage electrostatic separation, and has devoted itself to the research crude desalting technology on refinery and oil-water separation technology.

## Heat exchanger-Santacc Energy Co., Ltd.

Sino Gas & Energy Holdings Limited. Domestic Project Experience: CNOOC 32-6 Operation Company. QHD 32-6 project of Qinhuangdao operation branch of CNOOC (China) Co., LTD. Shaanxi Coal Chemical Group Shenmu Tianyuan Chemical Co. LTD. Lingshui project of Offshore Oil Engineering Co., LTD. Heat exchanger skid of CNOOC Lvda 5-2N offshore platform

## Fabricate Capacity-Santacc Energy Co., Ltd.

SANTACC is the first company in China specialized in the research and development of high voltage electrostatic separation, and has

devoted itself to the research crude desalting technology on refinery and oil-water separation technology.

## News Center-Santacc Energy Co., Ltd.

Our company, Santacc, signed a contract with China CAMC Engineering Co., LTD (CAMCE) Block 9 of Iraq to provide equipment for The 1st Corporate Speech Contest Successfully Held! 74 sets of ethylene heat exchanger for 1.5 million tons/year of Shandong Yulong Petrochemical project, contracted by Santacc Energy Co., Ltd., was officially
