

## European Solar Energy Storage

# Thornova solar Colombia

## Overview

---

What happened to thornova solar?

With this in mind, we have decided to move past the Sunova Solar brand and continue our future as Thornova Solar. Our latest high-density PV panels stand for exceptional electricity production and are used in applications ranging from floating solar systems to lowlands and alpine altitudes.

Who is thornova solar?

Thornova Solar, based on the Norse pantheon hero Thor, represents perfectly the company values and is hence a valued namesake. As the ever-growing, innovative and expanding company that we are, we will standardise our branding globally, reflecting our core values in our brand name.

Who are Sunova solar & thornova solar?

Sunova Solar and Thornova Solar are Tier 1 players, focusing on energy solutions and the design and manufacture of renewable energy components, such as photovoltaic modules, solar cells, inverters and solar battery storage solutions.

Is thornova / Sunova solar a Tier 1 module manufacturer?

In its 4th quarter 2024 report, Bloomberg New Energy Finance (BNEF) continues to list Thornova / Sunova Solar as a Tier 1 module manufacturer. Thornova Solar and Upsolar announce a significant partnership, committed to providing customized solar solutions for the Balkan region, including. Sunova Solar becomes Thornova Solar!.

Why are Sunova solar & thornova solar co-existing?

In the coming months, our two brands —Sunova Solar and Thornova Solar— will co-exist in our corporate communications as a reminder of our origins, an expression of our development, and a confirmation of our commitment to our customers to provide the on-going best technical support.

Where are Sunova solar and thronova solar located?

Currently, Sunova Solar and Thronova Solar operate 4 manufacturing plants in China and Vietnam and is building 2 more factories. By the end of 2024, we will have a fully operational capacity of 10 GW of PV modules and 9 GW of solar cells. All our operations in China are located outside of the Xinjiang area.
