Tiktok can save money

Overview

Can TikTok help you save money?

Saving money is often easier said than done, especially when you have no idea where to start. But with some dedication and a little creativity, you can come up with a savings plan that works for you — and that's exactly what these TikTok creators have done. We scoured TikTok to find some of the best strategies for saving extra cash.

Can you save a TikTok story?

On iOS 11 or later, you can save TikTok stories by recording your screen. However, a creator might have turned off the download function for their content, so it's important to consider if saving the story is necessary.

Can you save a TikTok video?

Downloading a TikTok video can also streamline sharing it with your more offline friends who may not have The Clock App. Unfortunately you can't save all TikToks — the user who posts a TikTok has to allow downloads for their video.

What is TikTok & how does it work?

Quickly create videos with our latest tools and effects for creators. TikTok is THE destination for mobile videos. On TikTok, short-form videos are exciting, spontaneous, and genuine. Whether you're a sports fanatic, a pet enthusiast, or just looking for a laugh, there's something for everyone on TikTok.

Is TikTok going to be banned?

Recent updates suggest that TikTok could be banned in the U.S. This news has many users concerned, with creators already declaring potential replacements and others trying to save their favorite videos beforehand.

Can you make passive income on TikTok?

Although TikTok doesn't bring you passive income initially, if you work regularly, you can make passive income in the long run. TikTok doesn't pay money directly but it can bring you popularity, which can lead to passive income as a popular creator.
