Tissue block storage cabinet Vanuatu

Overview

What is a tissue Tek ® block filing cabinet 2400?

The Tissue-Tek ® Block Filing Cabinet 2400 enables the organization and storage of 2,400 paraffin embedded specimen blocks in a high capacity and ergonomic design. Each cabinet comes with removable and replaceable labels for convenient reuse and writing of information before placement on drawers.

What is a tb-400 tissue block storage cabinet?

Say goodbye to soggy, sagging and stale corrugated tissue block boxes, and say hello to the TB-400 tissue block storage cabinet. The cabinets are modular: additional cabinets stack up and securely interlock without tools. Holds up to 3,150 cassettes or 1,950 blocks. Over double the capacity of competing brands.

What is a tissue Tek ® cassette cabinet?

The Tissue-Tek ® Cassette Cabinet provides a permanent storage and reference unit for blocks embedded in Tissue-Tek ® Embedding Rings and Cassettes. The histology block storage Filing Cabinets are stackable and accommodate 1,000 rings or 1,500 cassettes. One-piece construction eliminates hinges and doors and provides dust-free storage.

What is a tb-400 paraffin block storage cabinet?

The TB-400 is for the storage of paraffin blocks for histology, also known as tissue blocks, or can store tissue cartridges or embedding rings. This paraffin block storage cabinet has been designed to be an economical yet durable method for storing large quantities of blocks.

What is a histology block storage cabinet?

The histology block storage Filing Cabinets are stackable and accommodate 1,000 rings or 1,500 cassettes. One-piece construction eliminates hinges and doors and provides dust-free storage. Includes six impact-resistant plastic

drawers with an identification area. © Sakura Finetek USA, Inc. 2024. All Right Reserved.

Is the tb-400 a good storage box?

Priced just slightly higher per block than corrugated storage boxes, the TB-400 is a superior value as it will last a lifetime with its steel construction. Say goodbye to soggy, sagging and stale corrugated tissue block boxes, and say hello to the TB-400 tissue block storage cabinet.
