### CSB Battery HR Series

The CSB Battery HR Series sealed lead acid battery is designed to be efficient in high discharge applications. The HR series offers smaller volume, light weight and high discharge efficiency with a design life up to 5 years in standby service.

### CSB Battery GP12200

CSB Battery GP12200 is a general purpose, maintenance-free sealed lead acid battery that offers up to 5 years in standby service. As with all CSB batteries, it is rechargeable, highly efficient, leak proof and maintenance free. The GP12200 offers Absorbent Glass Mat (AGM) technology for efficient gas recombination of up to 99%.

### CSB Battery HRL Series

The CSB Battery HRL Series is ideal for high rate discharge applications and offers a design life of 8-10 years in standby service. The HRL Series capacity range is from 10W/cell to 540W/cell of 6V or 12V battery for 15 min-rate, and all are rechargeable, highly efficient, reliable, leak proof and maintenance free.

## Replacement CSB Battery: 4V,12V and 6V AGM Batteries

The CSB EVX series is a modern hi-tech energy application CSB battery series specifically designed for electric vehicles such as golf carts, wheelchairs, mowers and dust collectors. The batteries are medium-sized, lightweight and deep-cycle units that can be used for up to 400 cycles at 100% discharge or five years of standby service.
