Solen to Construct a 120MWp Solar PV Plant in Ayeme, Gabon

A new solar power plant is set to come online in Gabon. The plant will have a capacity of 120MWp. The Gabonese authorities have just signed a framework agreement with Solen Energy to construct a 120MWp solar photovoltaic plant. The facility, which will be located in Ayémé Plaine, will be commissioned in two phases for the public power company.

Gabon: Construction starts on 120MW solar project , African Energy

Construction work has begun at the 120MW Ayémé solar PV plant. The facility is being built in two, 60MW phases. Gabon: Construction starts on 120MW solar project. Issue 467 - 02 Sep 2022 , search our African Energy Live Data power projects database and view project locations on our interactive map Register. Related projects. Ayemé
