Verde solar Guam

Verde solar Guam

VerdeSol , Commercial Solar , United States and Caribbean

VerdeSol is a commercial solar design-build firm based on the US east coast. Our scope encompasses solar PV solutions for the industrial, commercial, agricultural, educational, and Caribbean markets. We're environmentalists and it shows through in our strategic and value-oriented designs.

Verde Solar Power solar reviews, complaints, address & solar ...

Verde Solar Power are true "local" solar experts for the Verde Valley and Prescott. It was a pleasure dealing with Greg and his staff. They designed and crafted the best installation for our Sedona home. I did look at other regional and national companies, but they could not match the expertise, price, and service history of Verde Solar Power.

Grand Verde Solar

The power from Grand Verde Solar will be delivered into the local Arizona electrical grid, helping to diversify Arizona's energy portfolio. Solar power is one of the most cost-effective sources of electricity available today, and its ability to generate power at peak times helps reduce electricity costs for all consumers.

Verde Solar Power Go Green Program

Verde Solar Power (VSP) offers two financing options: an all cash option, and a special credit union loan option. VSP's financing loan options are funded by your monthly electric bill savings. Now that costs have come down so much on PV solar systems, we no longer recommend the lease form of solar financing.
