New ideas and new technologies from Olympus lead to brighter futures for individuals and society. Technology content can be found on the Olympus's global

Founding of Olympus : Milestones : Olympus Vietnam

In 1949, the name was changed again to

Olympus Optical Co., Ltd. in an attempt to enhance its corporate image. And in 2003, the company made a fresh start as Olympus Corporation, to show its willingness to establish a dynamic corporate brand by unifying the corporate name and the well-known brand.

About Olympus Asia Pacific

Olympus Singapore (OSP) was founded in 1989 and is one of our organisation's earliest international business centres outside of Japan. Olympus Singapore has expanded over time, opening a dedicated research and development facility in 2000 and consolidating entities under one roof in 2015 to 2018 in a state-of-the-art office space named 'Henkaku' (Transformation).
