

## European Solar Energy Storage

# What is txu solar energy

## Overview

---

The TXU Solar Club 12 is an energy plan enabling customers to support local solar farms and reduce their carbon footprint. The membership helps you enjoy the benefits of solar without having to install panels on your rooftop. Who is TXU Energy?

Chat with us or call 855-752-0086 From wind and water to biomass and solar, TXU Energy is helping the environment and your home by offering Texas renewable energy solutions. Learn more!

Does TXU Energy offer a solar plan?

TXU Energy offers a 36-month solar plan. If your solar system produces more electricity than your home uses, the excess energy is sold to the grid and you are credited at the "Clean Energy Credit Rate", which is lower than the retail rate of electricity. These credits will be applied to your energy bill.

What is a TXU Energy solar buyback plan?

Individual results may vary. Get rewarded for your excess solar energy with TXU Energy solar buyback plans. Offset up to 100% of your monthly energy charges and earn automatic bill credits. Plus, you can offset future bills with rollover credits.

How to choose a TXU Energy Plan in Texas?

The selection of TXU energy plans in Texas completely depends on your lifestyle and apartment. If you are looking to switch to renewable energy then you must go with Solar Value 12 and if you are someone who is mostly out of the house during the day time then you should opt for the Free Nights & Solar Days 12 plan.

How much does TXU Energy cost?

There is no base charge and no hidden fees. The e-Saver 10 plan is around 17.5 ¢ per kWh and is boasted as one of the affordable TXU Energy plans for

apartments that help customers save some extra money on electricity bills. This plan comes in a 10-month term and only uses 6% renewable energy.

How can TXU Energy help you?

Get started with clean energy. We're here to help you find the right renewable energy plan for your home. Chat with us or call 855-752-0086 From wind and water to biomass and solar, TXU Energy is helping the environment and your home by offering Texas renewable energy solutions.
