

European Solar Energy Storage

Where to get solar energy in blade and soul

Overview

You can use them to get a better obsidian gem or exchange them with other items for materials you need or directly exchange them.

You can use them to get a better obsidian gem or exchange them with other items for materials you need or directly exchange them.

Been doing daily quests and got good amount of solar energy. Question then, is Dragon express the only place where you can spend the solar energy and only to buy badges there?

Thanks heaps for the info. There's plenty more things you can buy with energies than badges tho, I used like every solar.

A quick video where I highlight how to get the most out of your solar energies, depending on your status in the game! A highly requested video from many users on discord and in the comments sections, I hope this helps you! Join the fun on discord: / discord . more A quick video where I highlight.

You can spin solar energies and devotion chests (contains 10) from daily dash. Sometimes you get them from login rewards too. But yes, if none of those available atm, only daily challenge gives them. daily dash has solar energy?

Any other way to farm solar energy?

Besides dailies like dungeons?
