Siarh Baltic OÜ is a wholesale commodities trading company based in Tallinn, Estonia, specializing in the buying and selling of commodities, including agricultural products, industrial materials, energy resources, and chemicals, both locally and internationally. The primary objective of Siarh.

Energy price: Customers can choose a fixed-rate package or a spot-market (variable) package. In either case, the base energy cost includes the wholesale price (from Nord Pool or hedged/futures contracts), plus the supplier's margin (to cover risk and operating costs) and any monthly service fee.

The company provides a Transport Management System (TMS) that enhances logistics for shippers and cargo owners, allowing them to optimize their transport decisions while tracking shipments and managing costs effectively. With features for pre-calculating emissions and comparing pricing and transit.
