We collaborate with leading manufacturers, who offer solar racking or mounting systems to solar installers at the wholesale price so that they can provide smooth and seamless experiences to customers.

Norwegian wholesalers and distributors of solar panels, components and complete PV kits. 15 sellers based in Norway are listed below. List of Norwegian solar sellers. Directory of companies in Norway that are distributors and wholesalers of solar components, including which brands they carry.

Power Stone Container Solar Mounting Bracket is a versatile and durable solution designed specifically for mounting solar panels on shipping containers. This product is engineered to provide maximum efficiency, ease of installation, and long-term reliability for both residential and commercial.

Turn your container wall into a power station - without welding, cutting, or complicated installs! Our solar panel mounting kits are designed specifically for shipping containers. They clamp securely to the container top tubing and the bottom channel, so you can mount solar panels without drilling.

The company, Solcellekraft, specializes in providing complete solar panel systems for both private and commercial properties, ranging from homes to industrial buildings. Their integrated solar panels not only offer a sustainable energy solution but also enhance the aesthetic appeal of rooftops.

Container Solar Brackets offer a reliable, efficient, and sustainable solution for mounting solar panels on shipping containers, combining durability with ease of installation and adaptability to various environments. Power Stone's Solar Roof Clamp for trapezoidal metal roofs firmly secures.
